

Penrice Academy Saint Austell, Cornwall

Project Information

Address: Charlestown Road, St. Austell, Cornwall, PL25 3NR

Facility: 89.10m x 52.10m synthetic turf pitch + storage recess

Sports: Hockey, Football, Netball, Tennis, Rugby training, Aerobic activities, Athletics and training

Pitch System: VHAF NottsSward sand filled synthetic turf grass
NottsFilm stiff underlay
Specialist Unbound (Dynamic) stone base

Other features:

- Permanent & semi-permanent pitch markings
- 3m high ridged panel fencing system with integral rebound mesh and kickboards and 2m high ball stop catch netting.
- Free-standing sports equipment
- Macadam access pathway
- 4m x 10m fence enclosed recess storage area

Construction Cost: £229,720.78

Completed: June 2014

Specialist Contractor: Cleveland Land Services Ltd

Points of Interest:

- The pitch replaced an existing redgra/shale pitch which was under used due to its age and performance in inclement weather. The redgra conversion to a fully compliant multi-use games area was designed to cater for all School curriculum sports.

Quote:

On behalf of the academy, we are absolutely delighted with finished project which has been completed to a very high standard. It has been a pleasure working with both CLS Sports and Nottssport and the professionalism and support given to the academy by both companies, throughout the planning and construction phases has been of the highest order.
